Career Objective

Computer science student with experience in multiple languages. Looking for an entry level role where I can learn and grow as a programmer and become a more well rounded student.

Plymouth Parks and Forestry / Seasonal Maintenance Worker
May 2023 - July 2023, Plymouth MN

Worked on a small team to accomplish a weekly list of tasks, often working and problem solving independently with no direct supervision.

Minneapolis Parks and Recreation / Seasonal Audio Technician
May 2022 - August 2022, Minneapolis MN

Used creativity and critical thinking to prevent and solve production issues while overseeing live productions throughout Minneapolis.

Clarity Church / Tech Team
February 2021 - August 2022, Brooklyn Park MN

Single handedly operated and troubleshot sound mixing equipment, streaming systems, computer programs and recording devices to help produce live performances.

University of Minnesota Duluth / Computer Science BS
August 2022 - May 2025, Duluth MN

Completed 68 credits towards a BS in Computer Science with a 3.89 GPA.

Expected to graduate one year early, in 2025.

Heritage Christian Academy / High School
Fall 2018 - Spring 2022, Maple Grove MN

UMD Scholarship

HCA Civics Student Award

HCA Calculus Student Award

Highest Honor Roll was achieved all 8 consecutive semesters at Heritage.
